Welcome to our brand-new brochure. All of us at KM Travel sincerely thank all our customers for your continued support – we look forward to serving you and welcoming new guests in the year ahead. For 2027, we're delighted to introduce Looe (Cornwall) to our UK destinations, plus Tossa de Mar (Spain) and the French Alps to our European programme.

We are a family-run local business with decades of experience creating great coach holidays. Unlike many operators, we design and run every tour ourselves using our own modern fleet – our team is dedicated to delivering great value, quality holidays that truly stand out.

Our promise: outstanding value, never at the cost of quality. We continuously update our coaches to ensure you travel in comfort and style, with rigorous maintenance and immaculate cleanliness our top priorities. Every coach includes onboard WC, climate control, hot drinks machine, and fridges for cold drinks. Our newest models offer extra legroom and USB charging at every seat.

Whether you're a long-time guest or joining us for the first time, we're committed to delivering personal, attentive service. We believe in the personal touch – so we don't use online booking systems. Give us a call, or pop into our Chesterfield shop, and we'll help you plan your next getaway. From our office team and drivers to our modern fleet, we strive for excellence at every step – and carefully select a range of quality hotels, all at the right price.

Before you book elsewhere, choose with confidence – for the best value holidays, choose KM Travel.

WALK FOR A CURE

Our friend Harry Johnson who cannot walk further than a short distance without crutches is bravely walking 30 miles in September in memory of his wife Lucy. This is to help raise funds for Alzheimer's Research UK. 2026 this will be his fifth year running doing this. In 2025 Harry won Radio Derby's 'Make a Difference' Award for fund raiser of the year and this year he is a finalist in ITV East Midlands Fund Raiser of the year

We all at KM Travel of Chesterfield would like to show our support.

TRAVEL INSURANCE

From 1st January 2009 the sale of Travel Insurance became regulated by the Financial Authority. As we do not hold the necessary authorisation, we are no longer able to offer or advise on Travel Insurance matters, therefore you will have to make alternative arrangements. Travel insurance is available at many outlets for your convenience.

WE STRONGLY ADVISE ALL CLIENTS TAKE OUT TRAVEL INSURANCE

It is not compulsory in UK law to take out travel insurance for a tour within the UK, but it is compulsory for tours operating outside the UK. You will be required to provide us with your policy details and emergency contact when travelling to Europe, Republic of Ireland and Isle of Man. We are sorry for any inconvenience this may cause but the new regulations have made the selling of Travel Insurance more difficult and expensive to operate.

Holiday Cost & Surcharges

If the price of the holiday is reduced prior to departure, you will only have to pay the final price.

As a company we aim to provide great value holidays and we do not believe in the practice of surcharges or hidden costs.

However with our prices being organised so far in advance unforeseen rising costs (fuel, hotels and the strength of the pound to the euro) may have to be accounted for.

Our promise to you is only to apply a surcharge when we have no other option.

COACHES

On the majority of our tours and on all of our Continental Holidays for your peace of mind we use our own drivers and our full executive style coaches with toilet / washroom and drinks facilities on-board. 5. WHAT HAPPENS TO COMPLAINTS

All complaints that are received are thoroughly investigated and customers are kept informed at each stage of the investigation. Sometimes the investigations can take time when awaiting a response from hoteliers. We can normally agree an amicable settlement of the few complaints we receive, if the complaint is found to be genuine. You may of course go to your county court or other suitable court.

6. RESPONSIBILITY FOR YOUR HOLIDAY

We accept responsibility for ensuring that all component parts of your holiday as described in this brochure are supplied to you to a reasonable standard and this includes optional excursions purchased through our employees. If any such part is not provided in the advertised manner, we will pay you reasonable compensation unless the non provision was due to circumstances which we could not predict and which were beyond our control such as adverse weather, road or traffic conditions of the matters referred to in paragraph 4 (2) across.

For all claims other than death or personal injury which result from improper performance of the contract by us in circumstances where you stay for the whole or part of the holiday, our liability is limited to the total cost of the holiday (less any insurance) per person.

You should also be aware that;

A. some hotel amenities (e.g. lifts, swimming pools) require servicing or cleansing and we cannot, therefore guarantee that they are always available and can be removed permanently. Other factors, such as the weather or lack of demand can affect the provision of entertainment or outdoor amenities described in this brochure.

B. some excursion itineraries include the use of ferries and other forms of transport which can be affected by inclement weather and may have to be cancelled or arrangements changed. We reserve the right to change excursions if it is not practical to operate them. Wherever possible a suitable alternative excursion will be offered.

7. PERSONAL INJURY

(WHILST PARTICIPATING IN ARRANGEMENTS MADE BY US) KM Travel of Chesterfield has taken all reasonable and proper steps to ensure that proper arrangements have been made for all the holidays which are advertised in this brochure, including optional excursions offered by our employees, and that the suppliers of all the services are efficient, safe and reputable. Whilst we have no direct control over the provision of these services to you by suppliers we will pay to our clients the equivalent of such damages as they would be entitled to receive under English law in an English court for any personal injury to the client including illness or death, caused by the failure to perform or the improper performance of such services by our employees or any of our suppliers contracted or sub-contracted by us to provide any part of the arrangements for your holiday as described in this brochure where such failure or improper performance is due to the fault of such person (and providing it is not due to an act or omission of the person affected or that of a third party not connected with the provision of your holiday) and not an event which such person could not foresee or forestall even if they had taken all due care.

NOTE We accept responsibility as stated above provided that;

A. all claims for personal injury are notified within 3 months of the return from holiday

B. The injured client (s) assign to KM Travel of Chesterfield any rights against a supplier or other person or party they may have relating to the claim.

C. They agree to co-operate fully with us should we or our insurers wish to enforce those rights which have been assigned to us to which we are subrogated

D. Such payment is limited in the case of transport by water or air to a maximum of such sums as would be obtained under the provisions of the appropriate International Conventions. The assignment is necessary to enable us to try and recover from suppliers any compensation we have paid to clients, and associated costs, arising from personal injury to clients by the fault of those suppliers. If we recover more than such compensation and costs, any excess will be paid to the injured client.

8. PERSONAL INJURY

(UNCONNECTED WITH ARRANGEMENTS MADE BY US)

Where appropriate and subject to our reasonable discretion, we will afford general assistance to clients who through misadventure suffer illness, personal injury or death whilst travelling on a KM Travel of Chesterfield holiday arising out of an activity which does not form part of the advertised itinerary nor part of the excursion offered through the company, and which is the responsibility of a third party. If assistance is provided we will limit any monies paid to £5,000 per booking form and in the event of there being a successful claim against a third party, or there being suitable policy (ies) in force our costs shall be recoverable from the clients concerned.
